Dear Sir,

Re.: Invitation for Interactive Session at the 43rd Residential Refresher Course of Chartered Accountants Association, Ahmedabad

Sir, Chartered Accountants Association, Ahmedabad (CAA) is a voluntary non-profit organization with a strength of 1400 plus chartered accountants members not only from Ahmedabad but all across the nation.

One of the important objects of the Association is to educate its members in matters of professional interest such as Taxation, Audit, Finance, Information Technology etc., through various programs including residential and non residential courses.

Sir, we appreciate your gesture to accept our invitation to write paper on 'Recent changes in service tax'. As discussed in person we will have interactive session on subject. We therefore request you to send a soft copy of your paper along with posers well in time. In turn we will be able to distribute paper book to the participants at the earliest with a view to generate fruitful discussion on the subject.

The detailed itinerary of RRC programme along with the day and time of your paper would be given to you shortly.

Thanking you,

Yours faithfully,

For, Chartered Accountants Association, Ahmedabad
